

Seaton House School Newsletter

For the week ending: **Friday 23rd September, 2016**

Dear Parents

This week the girls enjoyed a variety of clubs at lunchtime and after school. It was a real delight to help Form III and IV pupils plant pansies and cyclamen in the window boxes of the garden shelter. While the good weather lasts, and certainly until half-term, please send in some old trainers or wellies in a named plastic bag if your daughter expresses any interest in gardening. We can supply gloves and aprons, but not footwear! Chess Club on Thursday lunchtimes is new and is already full.

I hope that you have all begun to settle into routines now and that you are becoming familiar with your daughter's timetables. I would just like to ask that you check any homework that your daughter says that she has completed, as there were several occasions in Forms III, IV and V in Senior House this week when girls had not completed, or had not done the homework set.

Finally, please remember that the school blazer should be brought into school until the weather turns colder and the duffle coat will take over!
