

Seaton House School Newsletter

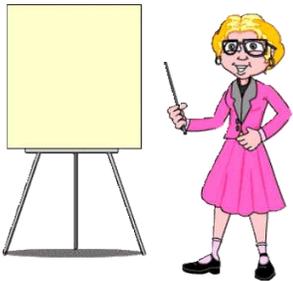

For the week ending: Friday 30th September, 2016

Dear Parents

As you may know, I was away for a prep schools' Heads Conference in London on Monday and Tuesday this week. We had some wonderful speakers, including Anne Widdecome and Gaby Logan, who spoke about a variety of topics. A strong recurring theme was mental health and coping strategies for our children in an age of unprecedented pressures in life and the pace of advancing technology. I came away feeling that we were definitely on the right track as a school; trying to balance life and work skills to equip our girls for the future. Today was an excellent opportunity for us to develop life skills - by raising funds for worthy charities. Cancer affects so many lives and supporting charities like MacMillan, Think Pink and Jeans for Genes helps girls to have empathy and a sense of community support. We have had a wonderful day!

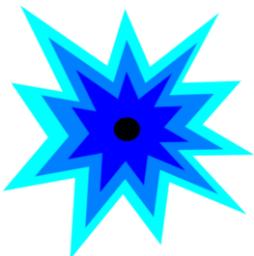

Mrs Morrison
Headteacher

I would like to welcome Mrs Rosemary Baker back to the school and am delighted to say that she will be taking on the role of Art and DT teacher. Like Mrs Wallace, she is a qualified, primary school trained teacher with a special interest in art. You may well have already seen evidence of her class projects about the school. Mrs Baker will be teaching all of the art and D.T to Forms I -VI.

Art Overall Reminder

Please could all parents remember to send their daughter's Art overall into school for Art lessons. Overalls are available from the AlleyCatz website. Thank you.
