

Seaton House Nursery newsletter.

For the week beginning: 3rd July 2017

What we have been doing this week:

This week at Nursery we have been thinking about farm animals. The children have been learning about the animals that live on a farm, the noises they make and the names of the male, female and baby of each animal. We have used information books and the internet to find out facts and information. On Wednesday we had a wonderful trip to Ladyland farm. Thank you very much to Sapna's mummy and Tina's mummy who came to help. We were very lucky with the weather and managed to dodge the rain! The teacher at the farm said how well behaved the children were during the visit and how knowledgeable they are. The children were all extremely well behaved and were a pleasure to take on the trip.

On Thursday Rabbit class drew their favourite animal from the farm and talked about what they had found out. We have also made a class book with photos and comments from our trip.

The children in Hedgehog class have been exploring junk materials this week and have created some fantastic and creative models that are on display in the classroom.

Next week:

Next week we are updating our assessments. The children will also be playing small group games. We will continue to learn our songs ready for our graduation celebrations too. The carpet and group sessions will also continue next week.

Rabbit class report slips: please return signed report slips as soon as possible so these can be filled in your child's profile.

Hedgehog class: We hope you enjoy sharing your child's next step review and learning journey over the week. Please return your child's learning journey on Monday 3rd July.

Diary Dates:

Review report meetings for Lower Nursery parents: Week beginning 3/7/17 (time slots will be available at the start of the session and 12-1pm)

Happy Birthday
in June to:

Sophia.T 2nd
Zach 17th
Noah 17th

Please can all parents check they have the correct uniform. A few items of clothing have gone missing over this half term and we are hoping to return all items to their owners by the end of term.

Questionnaires:

Thank you to all those who have returned their questionnaire. If you have not returned your questionnaire we would really appreciate it if you could complete and return it next week.

Ideas to try at home:

- Find out facts about your favourite farm animal and bring them in to share.
- Make a mask of your favourite farm animal.
- Write a list of the food you would like to take in your packed lunch.
- How many animals can you think of with 2 legs; 4 legs; wings; hooves?

On Graduation day we will be having a party for the children. We are going to hire a bouncy castle for the party and this will be put up in the Nursery garden for the morning.

Adults will supervise the bouncy castle at all times and we will limit the numbers on it at any one time. We will also be having an ice-lolly (not while on the bouncy castle!)

Please let me know if you have any concerns or would like to ask any questions.

Messages from POSH:

The second hand uniform store has received many enquiries recently from parents whose children are moving up to Reception in September.

If you would like to purchase any uniform for a fraction of the cost of buying new (£150 for the full set), please contact Emma Penman em.penman@hotmail.co.uk to arrange an appointment.

Alternatively if you only need one or two items they can be left for you in the school office to collect and try on at home.
