

Seaton House School Newsletter

For the week ending: Friday 7th September, 2018

Dear Parents

After a long and very warm summer holiday, I am so pleased to welcome all the girls (and 2 boys!) back to school! They all seem most enthusiastic about getting into the school routines - long may it last! I have spoken to the school in my two assemblies this week, about the importance of each individual's role in the school community. From the oldest and most responsible down to the littlest and newest pupil. It is vital that we each value the importance of our peers and treat them with respect and tolerance because they are part of our Seaton House family. As with real life siblings, we may not always agree or get on but we remain part of the family and look out for each other. I hope that you will be able to support this message at home as our children learn to work with differences and similarities in those closest to us at school. It has been a lovely, positive week - enjoy your weekend!

Mrs Morrison

Headmistress

- This week's Newsletter will be shorter than usual, due to our ongoing technical issues. We are all working hard to reduce the impact of the problems and hopefully, we will be back to normal by next week.
- Swimming for Forms III – V will start next Friday, 14th September
- GDPR – A few outstanding Consent Forms have gone out to parents in the book bags today. Please do fill these in and return the completed forms to the school office as your daughter may not be able to participate in school activities or have her photograph taken until we receive your consent. Thank you.
