The term dates for Seaton House School have been determined only after extensive research about other local schools, both state maintained and independent. The Headmistress is confident that the dates listed above will enable our pupils to enjoy a substantial amount of holiday time with their families, regardless of the schools attended by other family members.

Additional absence from school for holidays arranged outside of the official periods of school closure will NOT be authorised. Such absences will be recorded as unauthorised and, as is a regulatory requirement, will be notified to the Department for Education
